PROCUREMENT OPPORTUNITY – SD VETERAN SET- ASIDE

U.S. Army Corps of Engineer District, Baltimore has a proposed procurement that is 100 percent Service-Disabled Veteran-Owned Small Business set-aside. The point of contact on this contract is **Ms. Patricia Adams** who can be reached on **410-962-1894**.

The proposed procurement is 100 percent Service-Disabled Veteran-Owned Small Business set-aside, **NAICS 2362200**, small business size standard \$28,500,000.00. Estimated construction is between \$1,000,000.00 and \$5,000,000.00. The completion date is no later than 480 calendar days.

The Project consists of renovating existing Medical Specialty Clinics (4A), and provide one elevator to service clinics on the second floor, 4A and 5A. More specifically, the following changes will be made: 1. 4A renovation will provide 28 exam rooms, waiting area, public restrooms and staff offices; 2. One new elevator to service the second floor, 4A and 5A clinic areas; and 3. Reconfigure the check-in area and outpatient pharmacy area to create more efficient patient flow. All responsible sources may submit a bid which shall be considered by the agency.

The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. The media through which the Government chooses to issue this solicitation will be the Internet only. This solicitation will not be issued in paper. Contractors' requests for this solicitation will be performed through ASFI. Contractors may register to be placed on the Bidders/Offerors mailing list by going to the website:

<https://ebs.nab.usace.army.mil>. In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. must include the name of the particular contract specialist for the particular project. All deliveries, packages, etc. of more than one box or container must be bound together by tape or other means. In order to comply with the Debt Collection Improvement Act of 1996, all contractors must be registered in the Central Contractor Registration (CCR) to be considered for award of a Federal contract.

For information regarding future registration, contact the CCR Web site at <http://ccr.gov>. Other information regarding registration can be obtained through the CCR Assistance Center (CCRAC) at 1-888-227-2423 or 269-961-4725. A paper form of registration can be obtained through the DOD Electronic Commerce Information Center at 1-800-334-3414. It is imperative that all small disadvantaged businesses contact their cognizant Small Business Administration Office to obtain Small Disadvantaged Business Certification. Without SBA SDB certification, a prime contractor nor a federal agency can receive SDB credit when utilizing non-certified SDB contractors/subcontractors.

Issuance on about 8 July 2005, proposal due date on or about 8 August 2005.
